## Domain Name Escrow Service

### Fully Secure Domain Name Transaction Management

JJN Solutions Law, PLLC provides a fully secure escrow service designed specifically for domain name transactions. We facilitate secure transfers by holding the domain name(s) in a neutral account in the name of JJN Solution Law, PLLC and holding funds in a regulated trust account until all conditions of the transaction are met and verified. We ensure both buyers and sellers are protected throughout the domain transfer process with direct communication, verification of domain ownership transfer, and prompt disbursement of funds upon successful completion.

### Why Use JJN Solutions for Domain Transactions?

JJN Solutions Domain Name Escrow Services protects all parties in a transaction by providing a neutral third party to manage the exchange. Our escrow process ensures:

- **Security** -- Payment and the domain name(s) are held safely by JJN Solutions Law, PLLC until all conditions of the transaction are met.
- **Trust** -- Both buyer and seller are protected from fraud and non-performance
- **Verification** -- Correct domain name(s) and payment amount are confirmed received before funds or domain name(s) are released.
- **Professional Oversight** -- Licensed attorneys ensure compliance with all agreed terms
- **Dispute Resolution** -- Legal expertise available to address any issues that arise

### Our Escrow Process

1. **Agreement Established** -- Buyer and seller agree on transaction terms and escrow arrangement
2. **Domain Name(s) Secured and Verified** -- Seller transfers domain name(s) to neutral account in the name of JJN Solution Law, PLLC
3. **Funds Secured and Verified** -- Buyer deposits purchase price into JJN Solutions' attorney trust account
4. **Domain Transfer** -- JJN Solutions transfers domain name to Buyer's domain registrar account and verifies domain transfer completion through Buyer confirmation and registrar records
5. **Payment Released** -- Funds disbursed to Seller (and Broker if applicable) the next business day

## Fee Structure

### Transactions in US Dollars

JJN Solutions Law, PLLC offers competitive escrow fees structured as follows:

Transaction Amount	Fee Rate	Minimum Fee
\$5,000 -- \$200,000	2.9%	\$600
\$200,001 -- \$2,000,000	1.9%	\$5,800
\$2,000,001 and greater	1.3%	\$38,000

**Minimum Transaction Size:** \$5,000

### Buyer Guidelines

If the buyer has agreed to pay all or a portion of the escrow fee, the fee amount will be added to the purchase price of the domain name. This ensures transparent calculation of total transaction costs upfront.

### Payment Methods

JJN Solutions accepts payment via:

- Bank Wire Transfer (Domestic and International)
- ACH (Automated Clearing House)
- Cryptocurrency (if seller agrees to accept cryptocurrency and buyer pays in cryptocurrency)

**No additional fees are charged for international wire transfers.**

### Disbursement Options

Once all terms of the transaction have been completed and verified, JJN Solutions will pay the seller and broker (if applicable) the **next business day** via:

- Bank Wire Transfer
- ACH (Automated Clearing House)
- Cryptocurrency (if seller agrees to accept cryptocurrency and buyer pays in cryptocurrency)

If Seller or Broker(s) agrees to pay all or a portion of the transaction fee, the fee will be deducted from the purchase price payout or broker(s) commission payout.
